Recommendation Letters

".....She is always willing to accept the different opinions of her colleagues and she always impressed them with her personality. When we open the discussion I always wait for her in particular to speak because she is always has something impressive to add. She was always a source of positive energy in my class. Fatma is talented, and she has my highest recommendation."

Ms. Nesma Sami
nesma.muhammad@women.asu.edu.eg

".....Fatma impressed me with her creativity, leadership and cooperation with her colleagues. In class presentations, she designs creative teaching aids and presents her lessons in innovative way. Besides, she is active in class, participates in discussions and committed to deadlines in her assignments."

Dr. Hoda Salah
